RE: Granite City Township
Town Budget and Appropriation Ordinance for 2019-2020

Dear Clerk Whitaker:

Enclosed herewith please find the Town Budget and Appropriation Ordinance for the fiscal year beginning March 1, 2019 and ending February 29, 2020

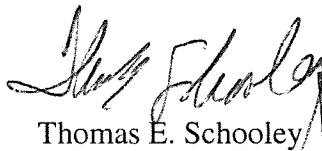

Would you please place this on the Township meeting agenda for the Tuesday, August 6, 2019 Board meeting for consideration and passage of the Town Budget and Appropriation Ordinance.

Town Board, this budget is essentially the same as the previous year's budget with the exception of a 1.5% raise for all Township employees.

Additionally, the year end cash balance on hand (as of 02/28/19) is strong and should carry the Township should CPPRT not be received as budgeted. This is a balanced budget.

Thank you for your attention to this matter.

Very truly yours,

Thomas E. Schooley

RE: Tax Levy, Town of the City of Granite City
2019-2020

Ladies and Gentlemen:

I am enclosing herewith the Annual Town Tax Levy for the Town of the City of Granite City for the fiscal year 2019-2020

Please consider and pass the Tax Levy for the 2019-2020 year at the August 6, 2019 regular meeting. There is an no increase over the 2018-2019 Tax Levy. No public hearing is required as such. The Levy will generate sufficient revenues to pay for Township employee pay increases, to help offset the possible loss of Illinois Replacement Tax Transfer funds, increases in tax liabilities, health insurance increases and assist in the agreed payments to Nameoki Township for parcels annexed into Granite City Township seven years ago.

Very truly yours,

Thomas E. Schooley

Dear Honorable Mayor Hagnauer and Granite City Council Members:

For the past 90 years the Mexican Honorary Commission of Granite City has commemorated Mexico's Independence day by hosting an annual Fiesta. This celebration of Mexico's culture and heritage also provides financial resources for the Mexican Honorary Commission to give back to the Granite City Community. Last year this fiesta made it possible for us to provide three \$1000 college scholarships, as well as, provide safe Halloween and Easter parties for our neighborhood children, provide sponsorships for youth softball, baseball, and hockey teams, and lastly provide 45 Christmas baskets and toys to needy families over the holiday season.

We are once again planning our 93rd annual outside street festival on September 7, 2019. As in previous years we are asking for your continued support by giving us permission to block off the streets bordering our MHC Hall. These streets include: The corner of Maple Street and St Louis Ave to the corner of Poplar Street, including the intersection of Spruce Street and St. Louis Ave, beginning Friday night, September 6th, at 9pm through 12pm, Sunday, September 8th.

Thank you for considering our request and for your continued support of our community endeavors.

Sincerely,

***Greg Garcia*

Mark Davis explained the request for M-2 Use in an M4 Planned Unit Development at 1333 Schaeffer Rd for Truck Terminal and Warehousing in a present empty building.

Nick Sinanovic of Vega Properties LLC/Vega Transport informed the Plan Commission of their plans for a truck terminal, with maintenance department, and the remainder of the building would be leased for warehousing of general merchandise. They will install multiple overhead doors, screened fencing around the perimeter of the lot, and plant more trees outside of the fencing. The front parking lot will become the terminal for trucks and trailers and an electronic gate will be installed for entrance to the lot after hours.

Mark Davis asked if Schaeffer Roads pavement was intended to hold truck traffic. Steve Willaredt explained that it was paved as required by IDOT. He also said that trucks are always in out of there, delivering to Aldis and Walmart.

Roger Tracy inquired if they would be a 24 hour operation. Nick Sinanovic stated that they would be open from 6 am to 4 pm and then the electric gate will be available for trucks coming and going after hours.

Mark Davis asked if they would be using the entrance by Aldi. Nick Sinanovic replied yes.

Frank Orris inquired on the number of trucks that would be in and out on a daily basis. Nick Sananovic responded that they own 105 trucks could have approximately 400 trucks in and out of the terminal weekly, but usually around 30-40 trucks per day.

Mark Davis asked if they were purchasing the property or leasing. Nick Sinanovic replied that they are purchasing the building. That a contract with contingency is in place at this time.

Steve Willaredt inquired of an estimated opening/renovation date. Nick Sinanovic stated that as soon as they close on the property they will begin with renovations and the fencing.

Frank Orris asked if the trailers parked on the lot would be empty. Nick Sinanovic explained that some will others will be full of general merchandise. No toxic waste or anything like that.

Cathy Hamilton added that Vega Transport has 3 locations in the St Louis area and that they are moving their terminal to Granite City from St Louis. They are relocating 120 jobs to Granite City and could possibly be adding an additional 100 in the future.
